Romain and the man responsible for all his tattoos

An open bar can bring a smile to anyones face. JP and friend

While Heikki was practicing the fine art of the all-nighter Peetu slipped off to get some ZZZs.

AFM and Tim from Scullcandy – same dentist? Or just a little nail biting?

Where there's a free bar there's the English. Oakley's man Scott Mcmorris and 6.0's team manager extraordinaire Mr Weaver.

The Onboard news team have been paparazzing in autumn as the season of premieres, contests and glacier openings gets into full swing. Here's some shots from Onboard's night stalker Anna from the opening party at the FreestyleCH and the Hintertux park opening. Its like bloody Hello magazine but without the collagen implants.

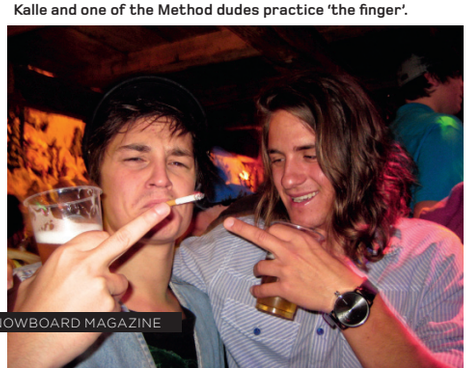
Damn if only there were three geezers at the table we could have written something crap about hat-tricks. Snowboarders wear anything if its free.

Kalle and one of the Method dudes practice 'the finger'.

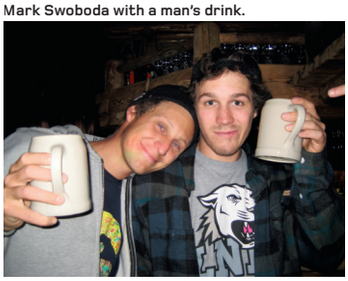


Van's team manager and ripper Beckna and his mate and Munchies consortium's Muck Muller having a little yodle.

Who called free booze on the outside bar?

Coin Coin and his French mates couldn't be trusted with real glasses.

Mark Swoboda with a man's drink.



Grilc looking a bit Hasselhof and Kevin Backstrom gagging.
